Consultant V can be awarded Three packages out of the 4 packages for which it is L-1 namely Package-2, Package-3, Package 4 and Package-8 respectively. The determination of package to be awarded to Consultant V shall be worked out in a single step (i.e. three at a time). New L-1 for the remaining packages (1 package) shall be worked out only after determination of packages to be awarded to the L-1 bidders at this stage [i.e. Consultant V in the instant case] in one step. Determination of Package to be awarded to Consultant V shall be worked out as follows:

Package to be awarded to Consultant –V who is L-1 in four packages namely Package - 2, 3, 4 and 8 respectively shall be determined on the basis of least cost to Engineer in charge, considering the Financial Proposal of L-1 bidder and L-2 Bidder limited to those packages. The situation for least cost to Engineer in charge, shall be when the firm with Consultant is awarded the package for which Financial Bid of second ranked team (L-2) minus Financial Bid of the first ranked team (L-1) is maximum. The same is illustrated as given below.
As we can see there is saving of Rs. 20.00 lacs in package P-2, and saving of Rs. 10.00 lacs in P-3, P-4 these packages will be allotted to consultant V.

There is comparatively lesser saving in package P-8 if authority decides to allot it to Consultant V, therefore package P-8 will be allotted to Consultant R (Team 1) subject its limitation of getting 3 packages for single team and 6 packages for the firm.
